

## EXTENSION academic year 2015/2016

### Students without italian citizenship (D.R. n°555 del 9 novembre 2015)

Because of the difficulties about the release of ISEE Parificato, Politecnico extends for:

**a) *Students enrolled full time for the academic year 2015/2016 to Bachelor's Degree, Master's Degree:***

the deadline for the fees reduction online application until 15<sup>th</sup> March 2016 (without penalties).

Calculation of the fee level:

1) first year students enrolled for the first time:

The fee level will be calculated once you have completed the online application, then you will have to pay the amount for the second instalment within the deadline 31/03/2016.

2) students enrolled in years following the first:

If you did not yet applied for fees reduction, for the first instalment you have to pay the amount, related to the fee level of the last academic year, within 30/11/2015. You can see this amount on your personal page. The total amount will be calculated once you have completed the online application, and you will have to pay the eventual difference within the deadline of the second instalment, 31/03/2016.

3) students part time enrolled in 2014/2015 that are full time enrolled in 2015/2016:

If you did not yet applied for fees reduction, for the first instalment you have to pay the amount related to the 1<sup>st</sup> fee level, within 30/11/2015. You can see this amount on your personal page. The total amount will be calculated once you have completed the online application, and you will have to pay the eventual difference within the deadline of the second instalment, 31/03/ 2016.

**b) *PhD Students and Scuola di Specializzazione***

the deadline for the fees reduction online application until 15/03/2016 (without penalties).

For all cases a), b) you can still apply for fees reduction during the period of SANATORIA within 15/04/2016 with a penalty of €150.

After 15/04/2016 you cannot apply for fees reduction anymore and you will be assigned to the maximum fee level.
