Study programme	Tuition fee/year
International Business Administration	3400 €
Law	3400 €
Integrated Engineering	3600 €
Cyber Security Engineering	6000 €

### MASTER'S PROGRAMMES (2 YEARS)

Study programme	Tuition fee/year
International Business Administration	3400 €
Entrepreneurial Management (MBA)	5500 €
Law	3000 €
Technology Governance and Digital Transformation	2500 €
Cyber Security	6000 €
Computer and System Engineering	6000 €
e-Governance Technologies and Services	6000 €
Communicative Electronics	6000 €
Digital Health	6000 €
Industrial Engineering and Management	3600 €
Environmental Engineering and Management	3600 €
Design and Technology Futures	3600 €
Mechatronics	3600 €
Technology of Wood, Plastics, and Textiles	3600 €
Materials and Processes of Sustainable Energetics	3600 €
Applied Physics	3600 €

# ADMISSIONS AND SCHOLARSHIPS

## APPLICATION PROCESS

- Complete an online application at [estonia.dreamapply.com](https://estonia.dreamapply.com)
- Upload your education documents in the system
- Submit proof of English language proficiency (e.g. IELTS 6.0, TOEFL iBT 72)
- Pay a non-refundable application fee of 100 € and upload the receipt

## DEADLINES

- 15 March – applicants from non-EU countries
- 15 April – applicants from the Australia, Azerbaijan, Belarus, Canada, Georgia, Japan, Kazakhstan, Russia, Turkey, Ukraine, USA
- 15 May - applicants from EU/EEA countries

## TUITION FEES

Students from non-EU countries are required to pay tuition fees, unless they receive a tuition fee waiver.

The EU citizens are exempt from tuition fees, unless they are enrolled in a study programme under School of Business and Governance.

More information: [taltech.ee/admissions](https://taltech.ee/admissions)

## SCHOLARSHIPS

Tuition fee waivers are offered to the best candidates for certain study programmes. More information is available at: [taltech.ee/scholarships](https://taltech.ee/scholarships)

## INTERNATIONAL STUDENT AMBASSADORS

TalTech Student Ambassadors advise prospective students, provide information about the university, and offer an insight into the life of international students in Tallinn. They all have had an experience of applying for a residence permit, choosing lectures, and getting adapted to life in Estonia. You can contact and meet our student ambassadors at: [taltech.ee/ambassadors](https://taltech.ee/ambassadors)

## PRACTICAL INFO

### VISA AND RESIDENCE PERMIT

- All students who are not Estonian citizens need to apply either for a visa, temporary residence permit or register their place of residence in Estonia.
- Non-EU students must apply for a Temporary Residence Permit for Studying (TRP) at the nearest Estonian embassy.
- A TRP allows students to work while studying full time and stay in Estonia for additional nine months after graduation if they want to find a job and settle down.

### ACCOMMODATION

- A shared room in an on-campus furnished dormitory costs around 125 € a month. Please note, places are limited and are granted on the first-come, first-served basis.
- A private room or a rental apartment costs around 200-400 € a month.

### LIVING EXPENSES

- Prices in Estonia are considerably lower than in Western Europe. Students usually spend around 250-300 € a month on food and other basic daily necessities.
- The public transport in Tallinn is free of charge for its residents with a valid Estonian residence permit. Mandatory private insurance costs around 120 € a year. Students often receive discounts at cafes, restaurants, libraries, cinemas, theatres, transport and other public places.

For more information, please visit [taltech.ee/practical](https://taltech.ee/practical)

## PHD AND SHORT-TERM STUDIES

### PHD PROGRAMMES (4 years)

- Building and Civil Engineering and Architecture
- Electrical Power Engineering and Mechatronics
- Chemical and Materials Technology
- Information and Communications Technology
- Mechanical Engineering
- Chemistry and Biotechnology
- Physical Sciences
- Economics and Business Administration
- Public Administration
