Call for applications for the 2017/18 academic year for international students - admission test held in China

Final list of standings

This list of standing is based on the requirements and deadlines included in the [notice of competition](#) for the TOPoliTO scholarships and calls for admission to the Bachelor of Science programs in [Engineering](#), [Design and visual communication](#) and [Territorial, urban, environmental and landscape planning](#).

It aims to assign the scholarships not awarded due to refusal of some eligible students of the 1st ranking list published on April, 7th 2017. It takes moreover into consideration the remarks received within April, 18th.

Students indicated as "*Eligible for TOPoliTO scholarship-engineering*" in this ranking list have to formally accept the scholarships within April, 28th at 12.00 a.m., by signing the acceptance form that will be sent to them by e-mail.

The affixing of the lists of standings to the online Official Register of the Politecnico di Torino is, for all intents and purposes, the only official notification of inclusion in the lists of selections and, for students with the appropriate qualifications, the only official communication that they have been awarded a scholarship. The Politecnico di Torino assumes no responsibility for the applicant's failure to view the lists of standings and/or the terms for the acceptance of the scholarships as published on the online Official Register of the Politecnico.
