Lists of standings - Admission test in Chile and Argentina

This list of standing is based on the requirements and deadlines included in the [notice of competition](#) for the ToPoliTO scholarships.

Eligible students have to formally accept the scholarships by signing the acceptance form that will be sent to them by e-mail.

The affixing of the lists of standings to the online Official Register of the Politecnico di Torino is, for all intents and purposes, the only official notification of inclusion in the lists of selections and, for students with the appropriate qualifications, the only official communication that they have been awarded a scholarship. The Politecnico di Torino assumes no responsibility for the applicant's failure to view the lists of standings and/or the terms for the acceptance of the scholarships as published on the online Official Register of the Politecnico.
